Problèmes débuteront en janv

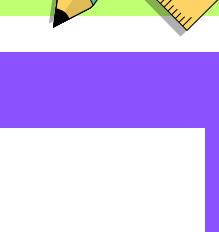

Les problèmes débuteront en janvier 2013

# Section

The image shows the MATHebdo logo, which consists of a central yellow circle with the word "MATHebdo" in black. Above the circle is the text "#DSDEN86". Below the circle is a small red banner with the text "10 PROBLÈMES PAR SEMAINE". Surrounding the central circle are ten numbered boxes (1-10) arranged in a circle, each containing a different category: 1. Maths alors! (with icons of two children), 2. Du nouveau!, 3. Espace et Géométrie (with a blue square icon), 4. Entrainement (with a red square icon), 5. Problem in English (with a British flag icon), 6. Remue-méninge (with a green square icon), 7. Espace et Géométrie (with a blue square icon), 8. Remue-méninge (with a green square icon), 9. Espace et Géométrie (with a blue square icon), and 10. Maths alors! (with icons of two children). To the right of the logo is a white oval containing a blue dove holding a branch, with the word "PAIX" written above it. At the bottom center is a pink box containing the text "Roue 7 - MS". In the bottom right corner, there is a Creative Commons license logo.

A large, bold, black sans-serif font word "Section" is positioned at the top left of the slide. Below it, a large orange ruler is angled diagonally from the bottom right towards the center, with its markings visible.

The image is a screenshot of a digital application for children. At the top center is a large yellow circle containing the word "MATHebdo" in black. Below it, in smaller text, is "#DSDEN86". To the left of the circle, there's a blue box with the number "9" and another blue box below it with the number "8", both labeled "Espace et Géométrie". To the right of the circle, there's a red box with the number "3" and a brown box below it with the number "4", both labeled "Entraînement". In the center of the screen is a white rectangular box with a red border containing the text "Roue 7 - CP". Above this box, there are four numbered boxes: "7" (blue) with a British flag icon, "6" (red) with a cartoon character icon, and "5" (red) with a cartoon character icon. To the right of the "Entraînement" box is a white oval containing a blue and white dove holding a green branch, with the word "PAIX" written above it. The bottom of the screen has a purple bar. In the bottom-left corner, there's a yellow starburst icon with the word "Nouveau!" inside, and next to it is a white box containing the text "Comme pour la face B, 3 niveaux pour chaque problème." followed by three small colored stars (green, blue, red).
